

NAIVASHA PARAGLIDING FESTIVAL 6TH EDITION

SPECTATOR INFO:

Naivasha Paragliding Festival is the premier paragliding competition in East Africa. Started in 2018, the event has grown its audience and expanded its reach to become a fully-fledged festival including other activities such as tandem paragliding, yoga and camping.

The event will take place at a uniquely selected ridge in 2200m altitude, overlooking Lake Naivasha with suitable wind conditions for paragliding. The 6th edition of the festival will take place from 2nd - 4th September 2022. Program and ticketing details are shared below.

Paragliding

You should expect to be met by an immanent atmosphere of adventure from the paragliding pilots taking off with their colourful gliders as they soar around the takeoff like birds and not forgetting the nature seekers who are out for a yoga, good party and camping experience in the wild.

Tandem passenger Paragliding

Do you want to see the festival from the air? We have you covered! There will be a few professional tandem pilots ready to take you up in the air for a 15-20 minute thrilling unforgettable experience! Don't miss your chance!

Self Camp or Overland

For this year's two night festival the accommodation will be both for self-campers and for people who want a more comfortable camping option. They can enjoy their camping experience (one night 3rd – 4th September) with our Overlander partners, who will provide transport from Nairobi, setup camp, have a full board menu, camping, tables and chairs, bush showers and toilets in full setup.

Bar, DJ and Band

We will have a dedicated bar, local kibanda catering, DJ and sound system right at the takeoff together with pergolas and comfortable seating for the spectators and party animals to enjoy a fun day under the wonderful skies
