

Dear Spectator,

The flying season has begun and we invite you to a great camping and spectating weekend during the 4th Paragliding Competition on Kijabe Hill in the Rift Valley.

Date is 11<sup>th</sup> – 13<sup>th</sup> June 2021 – an exciting three day event with two nights camping.

**Due to Covid19, we kindly require everyone attending the event to act responsibly, wear a mask, regularly wash or sanitize your hands and keep a distance of 1.5m from each other.**

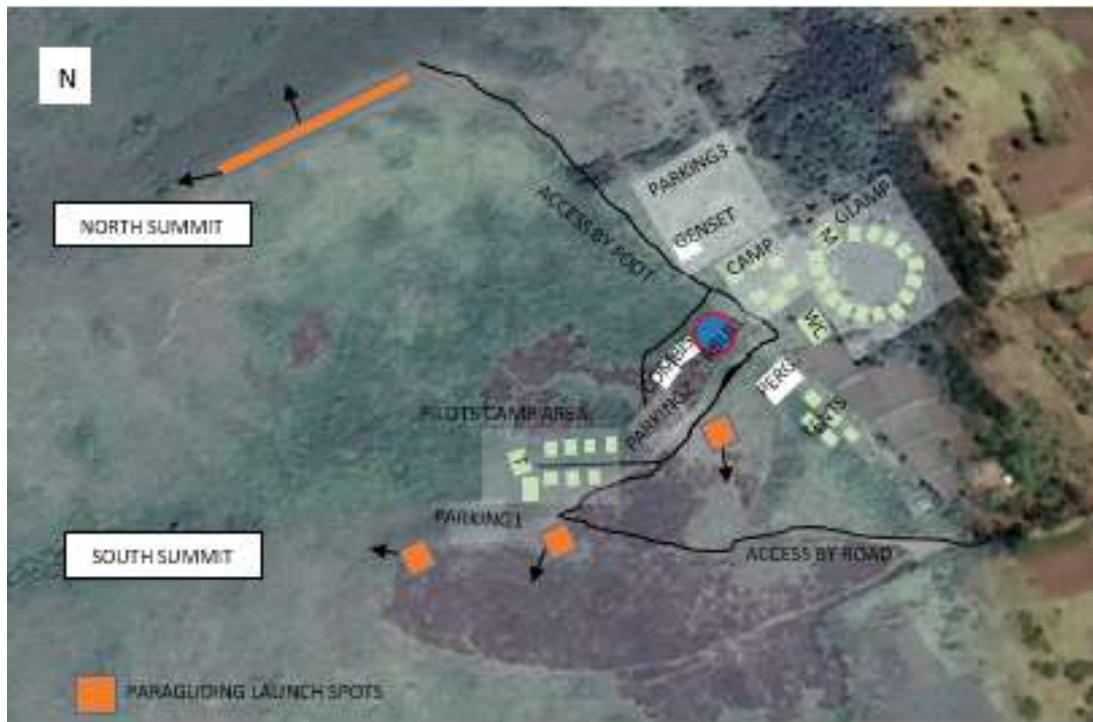

### Activities

We are expecting fantastic weather and apart from watching the colorful paragliders soaring in the sky, there are a few more things you can do up there with kids or just alone:

- Glamping / Camping / Rent a Tent
- Cycling Experience on 12<sup>th</sup> and 13<sup>th</sup> June
- Spectating the Paragliding competing
- SunDown Party on the evening of 12<sup>th</sup> June
- Hiking and enjoying the scenery with spectacular views on Mt Longonot!

## Luxury Camp / Camping / Rent a Tent

- Glamping: This year we are hosting the luxury camp provider 'Mountain Rock'
- They have great experience in setting up Luxury Bushcamps at events such as the Safaricom Marathon in Lewa, the Mt Kenya 10to4 cycling challenge, the Rhino Charge etc. The Glamping package includes, full-board meals, double tent with double bed, bedding, table, lights, chairs and an ensuite toilet and bush shower. The camp can hold up to 15 tents and the mess tent will be set with a view onto Mt Longonot. An epic experience!
- Camping: Feel free to setup your own tents near the glamping area or just come and picnic for the day. You can also rent-a-tent. Please contact us for more info.

### Cycling Experience on 12<sup>th</sup> and 13<sup>th</sup> June

This year a cycling experience is hosted by a professional cycling event company 'Velo Nitrous'. The cycling challenge will start and end on the summit of Kijabe Hill and will run a full circle around Kijabe Hill ending at the top again.

The route is divided into two legs, whereby the first leg is mostly downhill and quite easy, so great opportunity for parents with children from 7 years up to cycle the first 12.4km into the valley. The 1<sup>st</sup> leg will end at the 'accuracy' landing field where paragliding pilots will be landing all day competing to land closest on a chalked bulls-eye. The end of the 1<sup>st</sup> leg will also include a water stop for the cyclists with beverages and a hotdog food truck for spectators.

The location is close to the Old Naivasha Road and also close to a 4x4 dirt road leading to the top for cyclists who would rather hitch a ride back up to camp.

The 2<sup>nd</sup> leg of the cycling route is 20km mostly uphill through beautiful landscapes to the top. This is for the more adventurous grownups and children.

The cycling experience will take place on both days Saturday and Sunday starting in the morning. It is not a competition, just a fun activity to enjoy the fresh air and beautiful scenery.

## Spectating the Paragliding Competition

The paragliding competition will have two main disciplines.

1. Accuracy Landing: Where every pilot must try to land as close as possible to a chalked out bulls eye. This is fun event and you are invited to relax at the landing field and watch the action all day! There will be big Red Bull Wigwam tent setup for shade, beverages on sale and a hotdog snack truck near the landing site.

2. Open Cross Country: This discipline can be watched from the camp on top of Kijabe Hill. Pilots gear up, take off and search for thermals while soaring around the camp to get as high into the sky as possible challenging the others who will fly the farthest distance.

The main days for the paragliding competition are Saturday and Sunday. On Sunday afternoon there will be a small prize-giving where two trophies for the winner of each discipline are handed out.

### **Sun-Down Party in the evening 12<sup>th</sup> June**

Join us this year to toast the experience of watching and participating both the great sports of paragliding and cycling at the Combi Party on the camp grounds on the summit. You are in for a treat as we having the VW Owners Club showcase their VW Combi Bar, there will be chilled sundown music, drinks, lights and a fire to go romantic.

### **Hiking and enjoying the scenery!**

After having been indoors during the lockdown, come and enjoy a hike to the landing field in the valley. We will have guide to show you the way along the cycling route. Awesome moments and epic photography guaranteed!

See below the event poster, for ticket booking information and more!

# KIJABE HILL 4TH PARAGLIDING FESTIVAL

**11-13th JUNE 2021**

**PARAGLIDING**

**FRIDAY 11.06.2021**
