

## **Longonot Paragliding Festival 8<sup>th</sup> Edition**

### **SPECTATOR INFO:**

Naivasha Paragliding Festival is the premier paragliding competition in East Africa. Started in 2018, the event has grown its audience and expanded its reach to become a fully-fledged festival including other activities such as tandem paragliding, yoga and camping.

The event will take place on a uniquely selected paragliding landing field, 10km north of the town of Mahi Mahiu.

The 8th edition of the festival will take place from 28<sup>th</sup> – 29<sup>th</sup> September 2024. Program and ticketing details are shared below.

### **Activities:**

#### **Spectate the Paragliding Competiton**

You should expect to be met by an immanent atmosphere of adventure from the paragliding pilots landing after flights, with their colorful gliders, not forgetting the nature seekers in for the camping experience in wide open expanse of the Great Rift Valley. The Annual Paragliding Competition that will take place at this weekend is organised by both the **Paragliding Association of Kenya** and **Cloudbase Kenya**.

#### **Tandem passenger Paragliding (optional activity)**

Do you want to see the festival from the air? **Mawingu Camp Kenya** has you covered! There will be a few professional tandem pilots ready to take you up in the air for a 15-20 minute thrilling unforgettable experience! Don't miss your chance!

### **Cycling Tour (optional activity)**

We will have a dedicated cycling guide by **Limitless Mobility** on both days, taking you on a relaxed tour to the slopes of beautiful Mt Longonot and back to camp. Cycling is for all skill levels, even for children, on mostly flat terrain. There will be no bicycles for hire, so if you want to go along on the Cycling tour, bring your bicycle, best a mountain bike.

### **Self Camp or Overland Truck Camping**

For this year's one night festival the accommodation will be both for self-campers and for people who want a more comfortable camping option. They can enjoy their camping experience (one night 28-29th September) with our Overlander partners **Afrikan Buffalo Safaris**, who will provide transport from Nairobi return, setup camp, have a full board buffet (dinner and breakfast) for the one night ready for you.

### **Bar, DJ and Band**
