Join us for East Africa's premier paragliding festival – the Kijabe Hill Fun & Fly! Since its launch in 2018, this exciting event has grown into a vibrant weekend festival featuring world-class paragliding, tandem flights, cycling, camping, and more. Set against the breathtaking backdrop of the Great Rift Valley, just 10 km north of Maai Mahiu, this year's 9th edition promises adrenaline, relaxation, and unforgettable views – whether you're soaring above or cheering from the ground.

What to Expect:

Watch the Paragliding Competition

Feel the rush as expert pilots land right before your eyes, their colorful gliders painting the sky. Experience the buzz of competition and the thrill of adventure in a field filled

with energy and wonder. Organized by the Paragliding Association of Kenya and Cloudbase Kenya, this annual spectacle is the heart of the weekend.

Tandem Paragliding (Optional Activity)

Ever dreamed of flying? Now's your chance! Soar high with a certified tandem pilot and enjoy 15–20 minutes of pure sky-high bliss, complete with GoPro footage to relive the moment.

Self-Camping

Bring your own tent and set up under the stars! This year's festival offers self-camping only, so pack your gear and get ready for a cozy night by the fire.

Unwind with a cold drink at our mobile Trailer Bar, throw your meat on the grill, and gather around a crackling bonfire. A small sound system will keep the good vibes going well into the evening.
